

eXpress yourself tanning mist - 150ml

Incredibly easy to apply spray tan with 8% DHA, providing gorgeous, instant colour that develops over 2-4 hours into a deeper, golden tan.

Customers can also customise their shade by applying a second coat if a darker tan is required. Perfect for touching up areas like face and hands too, which are prone to fading faster, helping to prolong a Sienna X spray tan.

eXtend and perfect gradual tan - 200ml

A rich and luxurious moisturising cream with 4% DHA to gradually build up a natural looking, heavenly, sun-kissed tan or use to prolong a Sienna X sunless tan.

The anti-cellulite formulation helps skin appear smoother and firmer, while the exotic coconut/vanilla fragrance may just transport your customers to the beach of their dreams.

eXquisitely soft body polish - 200ml

Naturally fragranced with grapefruit and sweet orange essential oils, this gorgeous pomegranate, kiwi and walnut scrub, removes impurities and polishes away dead skin cells to reveal a silky-soft, PH balanced finish perfect for absorbing any of the Sienna X tanning products or eXceptional radiance moisturising balm.

Price - £10.95

eXotically rich face & body wash - 200ml

Fabulously moisturising and rich, this ultra-mild gel won't strip a Sienna X sunless tan and is even gentle enough for facial use. Containing silk protein, anti-oxidant ginger extract, aloe vera and delicately fragranced with lemongrass and ginger, skin will feel beautifully clean and soft, as well as looking visibly smoother and more radiant.

Price - £10.95

eXceptional radiance moisturising balm - 200ml

A perfectly balanced moisturiser combining luxurious natural ingredients – Shea butter, coconut oil, sweet almond oil and anti-oxidant vitamin E – with subtle flecks of fine gold mica to beautifully enhance tanned skin with a luminescent sheen. With its light, non-greasy formulation and intoxicating fragrance, this product is ideal for maintaining a longer lasting sunless tan.
